

# Our new location

## 29020 Fraser Highway

We are excited to announce the addition of a new facility to add to Bradner Cold Storage's range of services. Located less than 2km from our existing site on Bradner road, our new location at 29020 Fraser Highway allows us the opportunity to serve existing and new customers with the same high levels of service with even more space.

This modern facility is equipped with a very flexible warehouse area, allowing us to offer multiple temperature ranges from 34F (1C) to 60F (16C) as well as heated dry storage. The facility is fully sprinklered, with a monitored alarm system, security cameras, double gated yard providing ample parking space, and three dock doors including ground level access.

## AT A GLANCE

- 18,850 Sq.ft.
- Convenient location on Fraser Highway, 3km west of Mt. Lehman interchange.
- Shipping area with 3 loading docks.
- 2000 sq. feet of premium processing space for mixing, bagging, packaging or more.
- Processing space is wash-down ready, with power, air, water and more.

*Come see us for your processing space needs.*
